2:00 – 3:00 PM ET

Welcome to the Residential Property Management (RPM) quarterly webinar series on the third Thursday of each month at 2:00 pm ET from Hudson Cook attorney Jay Harris. Jay and a guest will discuss legislation and regulations affecting property owners and managers relevant to in-house counsel and RPM executives.

The webinar series aims to give multi-state RPM firms a forum to stay up to speed on applicable new legislation, regulation, and litigation – an early warning system for adjustments to operating policies and procedures.

The invitation-only format includes a summary of crucial state and federal policy developments by Hudson Cook, followed by a focused discussion about a different property management operating area each month. An initial list of topics follows below, though topics can be expected to change based on participant input and industry developments.
