

## A Fresh Look at Tenant Screening

April 18th, 2023 | and [Jennifer L. Sarvadi](#)

Join us on a journey through the current federal and state regulatory tenant screening landscape. We will explore the CFPB's November reports on the problems of tenant background checks and provide practical insights into key considerations facing the tenant screening industry. We will also address current trends in state laws that are driving change and new considerations in the industry.
