

AI and Compliance: The Must Dos, the Should Dos, & the Don'ts

April 2nd, 2026 | [Megan Nicholls](#) and [Mark D. Metrey](#)

Hudson Cook Speaking Engagements (NAF 2026 – Compliance Track Sponsor)

Date: June 3, 2026

Time: 11:15 AM – 11:45 AM

Location: Salons A-C

Hudson Cook Speakers:

Meg Nicholls

Mark Metrey

Description:

Artificial intelligence is already embedded across auto finance operations, often through third-party vendors and automated tools that companies may not formally label as AI.

This session breaks down AI compliance into practical “must dos,” “should dos,” and “don'ts” under existing consumer protection laws—highlighting what regulators expect and the common pitfalls that lead to exams, enforcement actions, and remediation.
