

ARTIFICIAL INTELLIGENCE: RECENT REGULATORY DEVELOPMENTS

October 23rd, 2023 | [Erik Kosa](#), [Jay Harris](#) and [Megan Nicholls](#)

We will discuss recent developments related to the use of AI, including the joint enforcement statement by the EEOC, DOJ, CFPB, and FTC and the White House AI Bill of Rights. This will lead us to some key compliance takeaways related to the responsible use of artificial intelligence in marketing, customer support, and decision-making.
