

Auto Dealer Today publishes 2018 predictions scorecard from Tom Hudson

January 15th, 2019

In the first two weeks of 2019, there have been many articles predicting what's to come in financial services regulation for 2019. [Tom Hudson](#) provided *Auto Dealer Today* with a slightly different variation of the predictions theme by assessing how Hudson Cook attorneys fared in their 2018 predictions.

Partners [Patty Covington](#), [Eric Johnson](#) and [Nikki Munro](#) joined Tom at the end of 2017 in predicting future developments in the industry, including cybersecurity, ancillary products, state attorneys general investigations and federal auto finance examinations, and the direction of the Consumer Financial Protection Bureau. Eric had the most accurate predictions, followed closely by Patty and Nikki in a tie for second.
