

Auto Finance Regulatory Landscape: Recent Developments & What to Expect

March 27th, 2023 | and [Robert F. Gage](#)

With increasing regulatory and compliance requirements, lenders need to understand regulator priorities and be prepared for what's on the horizon. This panel will explore recent hot topics within the auto lending regulatory landscape.

In this session, you will learn:

- the CFPB's supervision and policy focus, enforcement priorities, and recent actions;*
- Perspectives on the proposed FTC dealer trade rule and implications for lenders;*
- What the future looks like in the areas of fair lending, rate caps, servicing, and voluntary protection products; and*
- The most recent state-level regulatory actions.*
