Did you know that both federal and state law regulate the capture and use of facial photos, including photo IDs, selfies and other images? Join us for an overview of laws you should consider when using and storing facial images, including state biometric information privacy laws, the MOBILE Act, state driver's license laws and others. This webinar will benefit finance users, data companies, software vendors and other privacy compliance professionals.

Hudson Cook is pleased to host a client educational series: Compliance Coffee Breaks. These 30-minute "mini-webinars" feature Hudson Cook attorneys presenting on a variety of compliance topics, including auto finance, debt collection practices, mortgage and housing, credit reporting, and more. You may submit your questions ahead of time via the registration link or submit them via the Q&A box during the presentation. As of 2022, we are using the Zoom platform for our webinars.

Registration required. All fields with an asterisk (\*) are required. Registration is offered and available primarily to clients of Hudson Cook, LLP. Please register using a company email address. Attempted registrations using personal email (Gmail, Yahoo, etc.) or academic email addresses (.edu) will not be accepted or will be canceled prior to the date of the webinar, as will registrations from lawyers at law firms, government employees or reporters. After registering and being approved, registrants will receive a confirmation email containing instructions on how to log in to the webinar.
