Driven to Compliance: Navigating Federal and State Laws in the Trump 2.0 Era

[Eric L. Johnson](#) and [Mark D. Metrey](#)

Tuesday, June 24 from 2:10pm to 3:00pm

In the rapidly shifting regulatory landscape under the Trump 2.0 administration, dealers face unique challenges and opportunities. This session will explore the importance of staying compliant with federal and state laws, provide insights into how the administration's policies impact the automotive industry, identify key areas of legal exposure, and explain practical strategies to safeguard your business.
