

## Navigating the New Era of Fee Transparency

February 25th, 2026 | and [Jay Harris](#)

Despite changing political winds, the push for fee transparency at the national, state and local level keeps going strong. Get the latest on where fee transparency regulations are in place and where they're likely coming in 2026. And hear how RETTC is enabling greater transparency with its updated MITS 5.0 data model, and how tech leaders are adjusting their systems to assure compliance.

**Moderator:** Sharon Wilson Géno, NMHC

**Speakers:** Michael Barry, Bozzuto; Alicyn Cislo, Greystar; Jay Harris, Hudson Cook LLP; Lori Reeves, RETTC
