

Preparing for a Government Investigation or Consumer Litigation/Arbitration

October 29th, 2024 | [Julia K. Whitelock](#) and [Robert D. Tilley](#)

Whether a regulator is initiating an investigation, or a consumer is initiating litigation, it's critical to be prepared. This panel will review the investigation and litigation processes and discuss practical insights on preparing your business for working with outside counsel, responding to such actions, identifying areas of risk, and tips on allocating resources.
