

Privacy Pressure Points for Background Screeners

March 31st, 2026 | [Webb McArthur](#), [Jay Harris](#) and [Erik Kosa](#)

1:30 PM – 2:15 PM

Independence West

Legal/Compliance

Eligible for PDC

While Washington deregulates, state capitals are doubling down. With background screeners facing evolving threats under state privacy laws, this session will explore the increasingly demanding state privacy landscape for screeners in 2026, covering data broker registration, regulation and biometrics.
