

## Protecting Your Business Summit

August 11th, 2025 | and [Justin B. Hosie](#)

Join industry attorneys and compliance experts for a discussion and examination of real-world scenarios dealers face as part of running a business involving the RTO transaction.

This interactive deep-dive session will involve the presentation and discussion of recent real scenarios encountered by RTO dealers involving issues ranging from collections, marketing, HR, wage and hour, OSHA, to cybersecurity. Attendees will walk away with practical tips on how to mitigate their business risks and stay compliant.
