

Small-Dollar Lending Compliance: Are You Keeping Up with the Changing Requirements?

October 29th, 2024 | and [H. Blake Sims](#)

As your small-dollar loan products, services, delivery channels, communications, and collection methods change daily, the legal and regulatory requirements applicable to your business are evolving with you. Failure to keep abreast of changes in the law exposes your business, and you, to increasingly aggressive enforcement bodies and plaintiffs' counsel. This workshop will cover the recent and developing changes applicable to the small-dollar loan industry and help to ensure you are not tomorrow's headlines.
