

VPPs, Add-Ons & Fee Transparency

September 10th, 2025 | [Catharine S. Andricos](#) and [Thomas P. Quinn, Jr.](#)

VPPs have long been part of the F&I landscape, but now they're also a regulatory flashpoint. This session will cover recent developments, legal perspectives, and compliance best practices to help you navigate a fast-changing environment. The session will also discuss growing regulatory focus on unfair and/or deceptive fee assessment.
