Who's Afraid Of Little Old State Law: Strategies For Managing Your State Law Compliance

Legal/Compliance

10:15 AM – 11:00 AM

Grand Ballroom F-K

Description

So you have nailed down your FCRA compliance and think you're safe and sound. Think again – there are state mini-FCRA laws and other state laws to worry about. Overlay that with FCRA preemption and the potential for increased state regulatory involvement – and you have a compliance challenge! Don't let "would've, could've, should've" be your motto — learn how to manage compliance with state laws, including monitoring changes and using your PBSA membership to avoid bad blood with state regulators and private plaintiffs.
